Irrigation and Pest Control Assistant Manager

About the Role
 The Irrigation and Pest Control Assistant Manager is responsible for planning, supervising, and executing all activities related to irrigation systems and integrated pest management (IPM) across the property. This role requires advanced technical knowledge in the design, installation, automation, and maintenance of irrigation systems, as well as proven expertise in pest control strategies and sustainable agricultural practices. The position directly supports the overall landscape and grounds operations, ensuring efficiency, sustainability, and high-quality standards in guest-facing and operational areas.

- Performance Metrics:**
- Design, install, and oversee automated and manual irrigation systems to ensure efficient water use and consistent landscape quality.
 - Develop and execute preventive and corrective maintenance schedules for irrigation infrastructure.
 - Implement integrated pest management (IPM) programs with a focus on environmentally responsible practices.

- Preferred Qualifications and Skills:**
- Bachelor's degree in Agronomy, Horticulture, Agricultural Engineering, Environmental Science, or related field preferred.
 - Minimum of 5-8 years of proven experience in similar roles with focus on irrigation systems and pest management.
 - Strong knowledge of irrigation system design, automation technologies, and water conservation practices.
